### **CORRECTED AMENDMENT**

Dear Sir:

An office action was mailed on 2/21/2007, which office action observed that the title amendment included in the applicant's response to the first office action (with a mailing date of 11/28/2006), did not include markings to identify what was being added or deleted. The office action mailed 2/21/2007 set a 30 day period for response.

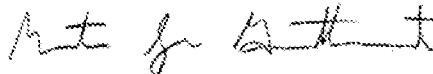

As indicated in the applicant's response to the first office action, the amended title is to replace the original title. Accordingly the changes are as follows:

~~PR/SMS Business Method, System and Method of Conducting Business~~

Acquiring and Using Goods and/or Services Through an SMS Capable Phone

Respectfully submitted on March 16, 2007,

NEWMAN & NEWMAN
